To whom it may concern,

My name is Jonathan Griffin and I head up the Business Services department which includes the RotoMaster training program. I am writing this letter today to confirm that A1 Janitorial Services has completed all course work for the manufacture certification training program back in 2009. With this certification, Hanley Wade, qualifies as an Air Duct Cleaning Specialist (ADCS) for residential and light commercial application. This certification covers air duct cleaning and dryer vent cleaning using the Rotobrush[®] Air+ duct cleaning equipment.

I have personally worked with Mr. Wade in our RotoVantage membership program, providing additional business and technical support these past few years. I believe you will find A1 Janitorial Services a professional company and be very satisfied with the work perform.

Sincerely,

Jonathan Griffin
